

## PLAYER DEVELOPMENT FORM

Players are to fill out the form with their parents, marking an X in the green box if they feel that they are competent in that area or an X in the red box if they feel this is an area to develop.

Please take into account the players age. We don't expect our players to be at Messi's standard...well not yet anyway!! The Coach will mark his thoughts in the blue column and comment at the bottom prior to returning the form.
